## Summary

Enthusiastic IT fresher with expertise in JavaScript, React.js, HTML, CSS and Responsive design. Adept at collaborating with cross-functional teams, integrating APIs, and ensuring mobile-first, scalable solutions. Passionate about clean code, agile practices, and delivering seamless user experiences.

## Skills

**Frontend:** HTML5, CSS3, JavaScript, React.js, Tailwind CSS, Bootstrap, JQuery

**Backend:** Java, Spring Boot

**Databases:** MySQL, SQL

**Tools & Build Systems:** Git, GitHub, Postman

## Experience

### Intern

Sept 2024 – June 2025

*SevenMentor & Training Pvt Ltd, Pune*

- Designed and developed responsive user interfaces using HTML, CSS, and JavaScript to ensure cross-browser compatibility and a smooth user experience. Implemented interactive features and dynamic components using React.js for efficient rendering and state management.
- Worked with MySQL for CRUD operations, indexing, and query optimization. Designed and implemented user interfaces with responsive layouts. Implemented authentication, CRUD operations, and error handling.
- Designed and implemented database schemas for efficient data storage and retrieval. Integrated backend services with databases to manage user data and application content dynamically.

## Projects

### Quick Bite |

Sept 2024

- Built a full-stack food delivery web app using React.js, Node.js, Express, and MongoDB
- Implemented a dynamic shopping cart allowing users to add items, review their cart, and place orders.
- Automated 75% of admin operations, improving efficiency in inventory and category management.

### FarmKart E-Commerce Platform |

March 2025

- Developed a full-stack Java web application using JSP, Servlets, and MySQL to enable farmers to list and sell produce online. Implemented user registration/login, product catalog, shopping cart, order management, and admin panel with features like email notifications via Jakarta Mail.
- Technologies: Java, JSP, Servlets, MySQL, JDBC, Jakarta Mail, HTML/CSS/JS, Apache Tomcat.
- Key Achievements: Reduced manual sales processes by automating order tracking; gained hands-on experience in secure authentication and database optimization, improving query performance by 30% through indexing.

## Education

### Bachelor of Technology (IT)

Graduated: 2024

– TGP CET, R.T.M. Nagpur University (2024)

CGPA: 7.74 / 10

## Professional Enhancements

- Strong problem-solving, teamwork, and communication skills.
- Leadership experience as treasurer managing event finances in college.

## Languages

- English (Professional), Hindi (Fluent), Marathi (Native)
